Professional Experience

Business Analyst Intern

Sep 2025 – Mar 2026

AI Variant

- Gathered, analyzed, and documented business requirements by collaborating with 10+ stakeholders across multiple projects.
- Analyzed and cleaned 8,000+ business records using Excel and SQL, developed KPI reports and dashboards, and identified process improvement opportunities.
- Prepared BRD documentation, tracked project milestones, and collaborated with cross-functional teams to support 5+ business initiatives.

Sales Analyst Intern

Nov 2024 – Dec 2024

TVS Automobile Showroom, Chennai

- Analyzed sales performance and customer data for 1,200+ records using Excel to identify purchasing trends and improve reporting accuracy.
- Created daily and weekly dashboards using Pivot Tables, Lookup functions, and charts to monitor sales KPIs, service performance, and inventory metrics.
- Maintained CRM records and collected feedback from 250+ customers to generate insights supporting customer satisfaction and service quality improvements.

Projects

Restaurant Performance Dashboard — Power BI

- Analyzed 10,000+ transaction records across 25+ branches to develop a Power BI dashboard for sales, customer ratings, and operational KPIs.
- Identified underperforming branches and provided recommendations for operational improvements, promotions, and staffing optimization.

Crowdfunding Campaign Analysis — SQL

- Analyzed 300,000+ campaign records using SQL joins, aggregations, and filtering to identify key fundraising success factors.
- Generated data-driven recommendations on funding goals, campaign duration, and marketing strategies.

Certifications

- Microsoft Certified: Power BI Data Analyst Associate (PL-300)
- NASSCOM Certificate Program in Business Analyst (Gold Category)
- Business Analyst Certification Program – ExcelR
- Google AI Essentials Specialization – Coursera
